## 12" Neapolitan Pizza as you have it in Naples £12.95

The dough is made from just four ingredients—flour (00 type, finely milled), water, salt, and yeast. No oil, sugar, or additional enhancers are used.

Neapolitan pizza is traditionally baked at temperatures of around 900°F (485°C). The pizza cooks quickly, usually in 60-90 seconds, resulting in a lightly charred, crispy exterior with a soft, slightly chewy interior.

The tomato base is made from San Marzano tomatoes, which are grown in the volcanic soil around Mount Vesuvius.

Using only the highest quality mozzarella Bufala and mozzarella fior di latte
